Account Verification

Verification of member accounts will be conducted by the Supervisory Committee effective September 30, 2024.

It is imperative that you thoroughly scrutinize your statements and promptly notify the 1199 SEIU Federal Credit Union Supervisory Committee at PO Box 151, New York, NY 10018 of any inconsistencies found.

To protect yourself from fraud, it's crucial to stay vigilant and informed. Regularly monitor your account statements and set up alerts for any unusual activity. Be cautious of unsolicited communications asking for personal information, and always verify the source before responding. Use strong, unique passwords for your accounts and update them regularly. Additionally, enable two-factor authentication wherever possible for an extra layer of security. If you notice any suspicious activity, report it to your financial institution immediately. Staying proactive and informed can significantly reduce the risk of falling victim to fraud.

Our CD program offers a secure and reliable way to grow your savings with guaranteed returns. Whether you're looking to save for a short-term goal or a long-term investment, we have a variety of terms to suit your needs.
